"We offer with Joy and Thanksgiving"

In this presentation, participants will explore various aspects of stewardship as they relate to the congregation and its' context.

What stewardship possibilities do we have as we share God's gifts and blessings with others?

Pastor Bob Dealey began serving as the Director for

Evangelical Mission and part-time Coordinator of Communications and Networking for the Central/Southern Illinois Synod on March 1, 2013. Prior to that, he served as a parish pastor in Kansas, Arkansas and Illinois, having served within our synod at Our Lord's, Maryville (1997-2006).

Bob is a graduate of Bethany College,

Lindsborg, KS (B.A.); the Lutheran Theological Seminary, Gettysburg, PA (M. Div.); and the Theological School at Drew University, Madison, NJ (D. Min.). He served as an ELCA Partner in Evangelism for twelve years and was the host of "A Glimpse of Hope" radio broadcast for seven years.

He has served as the founding President of a local community resource center (thrift store/food pantry) in three locations.

He is available to assist congregations in the following areas: development of missional/strategic plans; outreach and stewardship ministries; communication strategies; new mission starts/renewing congregations and whatever other mission possibilities you would like to discuss.

He is married to Rhonda Peterson and they have four children and four grandchildren.

Also June 26 2:00 p.m. @

Community Lutheran, Cornell Geographical parish planning meeting. TLC is one of seven congregations (Anchor, Sibley, Gibson City, Chenoa, Cornell, Dwight) continuing the discussion that began in October 2013 toward considering the formation of a geographical parish.

Our goal is to have a written Agreement ready to present to the councils and congregations by this Autumn, with the possibility of implementation in 2017 (the 500th anniversary of the Reformation), working together toward a more cost efficient and cooperative shared ministry and mission.

Trinity Lutheran Church Council Minutes From April 13, 2016

Present: Pastor Tom, Val Curl, Gail Huling, Tess Popejoy, Carl Tull, Jimmy Vinson, Dawn Kestner, Dave Hammer, Paige Jackman and guest Diana Tull.

Absent: Josh Creek

President Val Curl called the meeting to order at 7:00 p.m.

Pastor Tom opened the meeting with prayer.

Diana Tull addressed the council concerning Lenten and Holy Week services. Diana expressed concern that the format for the services this year was not well received and attendance was down. She suggested we go back to a more traditional service. The council thanked her for taking the time to let us know how she felt.

Secretary's Report – Jimmy Vinson moved the report be accepted as written. Carl Tull second. The motion carried.

Treasurer's Report – Pastor Tom moved the report be accepted as written. Tess Popejoy second. The motion carried.

Shared Ministry

The council met with St. John's Church in Anchor on March 13. The meeting went very well. The consensus was to meet with Anchor again in late summer or early fall. They will have an interim in place for six months.

The Geo Parish will meet for Finance and Agreement on April 7 and 24, respectively.

Worship will begin at 8:30 a.m. beginning May 1, 2016.

Recommendation: Lent/Holy Week **2017** services on Ash Wednesday, Maundy Thursday, Good Friday, but none on the Wednesdays in between. The council suggested putting this to a vote at the Congregational Meeting in January.

Pastor informed the council that voting members from Trinity would be attending the CSIS Assembly June 2-3.

Other Business:

There was discussion about having more activities/service opportunities for the community. The council also discussed the need to include members of our congregation to take a leadership role in these activities.

Dawn Kestner moved the meeting be adjourned. Paige Jackman second. The motion carried.

The meeting was adjourned with the Lord's Prayer.

Respectfully submitted by Gail Huling, Secretary
Val Curl, President
