### Matching Funds

Immanuel will match a charitable gift up to **\$200/member/year**. Make a check out to your chosen charity, place it in an **envelope that is addressed to the charity** (the project will provide postage) with this completed form. The minimum match is \$25. Once a month the stewardship committee will meet to review requests, write checks, and acknowledge your match.

| Charity | Member | Amount |
|---------|--------|--------|
|         |        |        |
|         |        |        |
|         |        |        |
|         |        |        |

### Sweat Equity Funds

For each charitable hour that a member offers in service to others, Immanuel will pay **\$20/hr to a charity** of the member's choice. There will be a **4 hour minimum for the application**, but members can accumulate hours over multiple days to meet the minimum. Also multiple members can apply together and combine their hours to meet the minimum, but the group must designate a single charity.
