**God's work.
Our hands.**

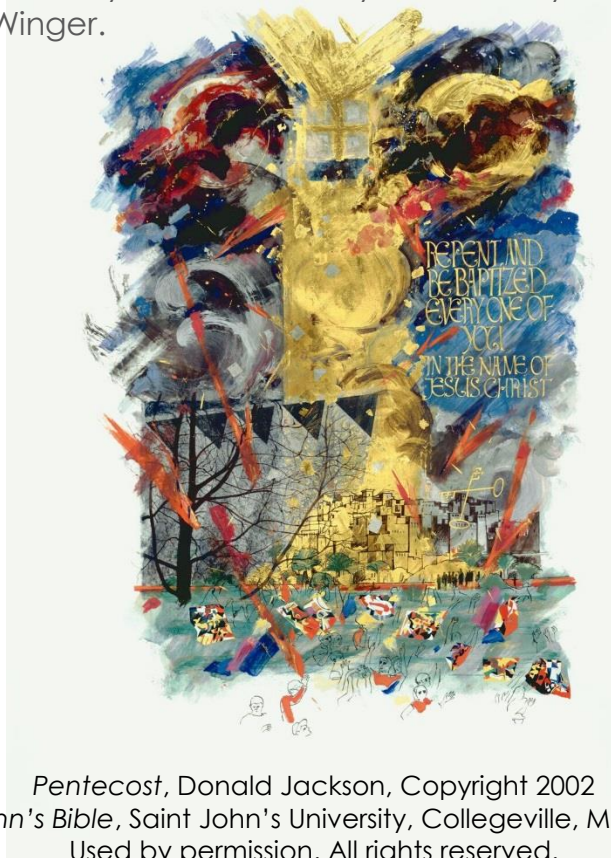

Evangelical Lutheran Church in America
God's work. Our hands.

During Lent and Holy Week we learned and shared in many Jewish holy days. We conclude our series with the Festival of Pentecost, or in the Jewish faith: Shavuot. Shavuot is seven weeks after [Passover](#). [Shavuot](#) literally means “weeks” and is a reminder of the link between [these two pilgrimage festivals](#). **The focus is the giving of the Torah** at Mount Sinai.

The Saint John's Bible is a work of art and a work of theology. A team of artists coordinated by Donald Jackson in Wales and a team of scholars in central Minnesota have brought together the ancient techniques of calligraphy and illumination with an ecumenical Christian approach to the Bible rooted in Benedictine spirituality. The result is a living document and a monumental achievement. **The focus is the living Word of God.** See more about The Saint John's Bible at www.stjohnsbible.org

We look forward to having a portion of The Saint John's Bible at our worship on **Pentecost, May 20**, courtesy of Illinois Wesleyan University and IWU Chaplain Pastor Elyse Nelson Winger.
